About Course

Whether you are asking for resources, negotiating with a vendor, or dealing with conflicts on the team, being a skilled negotiator makes you a better project manager. In this active, participatory course, you will practice the skills of negotiation and receive one-on-one feedback and coaching tips to improve your performance. You will learn about the types of negotiation and different styles that you can adapt during negotiations. You will learn to determine your individual negotiation style and how to adapt to situations for more successful negotiations. You'll gain an understanding of competitive and collaborative negotiation and learn how to recognize each.
